Floors For Life

Natural Style

Bring the warmth of nature into your home with our new Trailwood Collection. Designed with timeless style and everyday durability, Trailwood blends the authentic look of wood with the comfort and performance of luxury vinyl flooring.

Easy Installation

Featuring rich textures and natural details, Trailwood enhances any space - from cozy family rooms to sleek, contemporary interiors. With its innovative *I4F Fold Down locking system*, installation is fast, secure, and hassle-free.

Lasting Performance

Built to stand up to real life, Trailwood is protected with a tough wear layer and finished with aluminum oxide for added durability. It's easy to maintain, resistant to everyday wear, and backed by a *Lifetime Residential / 5-Year Commercial Warranty*, giving you peace of mind along with lasting beauty.

Made for Life

Proudly made in Canada and *FloorScore Certified* for healthier indoor air quality, Trailwood is flooring you can trust for both performance and style.
