

Modern Elegance

Bring contemporary sophistication into your home with our Capstone Collection. Designed with the timeless appeal of natural stone, Capstone combines refined style with the durability and comfort of engineered tile.

Versatile Design

With its light stone embossing and *TruEdge rounded bevel*, Capstone delivers a clean, modern look that enhances both classic and contemporary interiors. Available with grouted or rectified installation options, it creates a seamless finish tailored to your space.

Lasting Performance

Protected with a *ceramic bead finish*, Capstone stands up to everyday wear while remaining easy to clean and maintain. Backed by a *Lifetime Residential / 10-Year Commercial Warranty*, it offers long-term confidence along with lasting beauty.

Made for Life

FloorScore Certified for healthier indoor air and approved for use with radiant heat systems, Capstone is flooring you can trust for performance, comfort, and style.
