

Natural Beauty, Everyday Strength

Inspired by the calm of the outdoors, Lakeside Park brings authentic wood-look style with the durability modern living demands. Its *embossed-in-register texture* and *painted bevel edges* create a natural, elevated look that feels as good as it looks.

Engineered for Comfort

With a *12mm thickness*, including a built-in *2mm foam pad*, Lakeside Park offers stability, warmth, and sound reduction for quieter, more comfortable spaces. The *waterproof core* and *UV-cured finish* provide lasting protection against spills, scratches, and everyday wear.

Easy and Reliable Installation

Featuring the advanced *I4F drop-lock system*, installation is quick, secure, and hassle-free. Designed for floating installation and approved for radiant heat, Lakeside Park adapts effortlessly to any room in your home.

Confidence That Lasts

Backed by a *Lifetime Residential Warranty* and *5-Year Commercial Warranty*, along with *FloorScore certification* for healthier indoor air, Lakeside Park delivers both style and peace of mind.
