

Sophisticated Living

The Metropolitan Collection brings contemporary style and comfort together in one stunning floor. With its *painted bevel edges* and authentic *wood grain embossing*, it captures the timeless beauty of hardwood in a modern, versatile design.

Comfort Built In

Engineered with a *WPC core* and an *anti-microbial cork pad*, it offers warmth, comfort, and quiet underfoot. The drop-lock system makes installation simple and secure, so you can enjoy your new floors without the hassle.

Everyday Durability

Protected by a *20 mil wear layer*, this collection is designed to handle busy households and active lifestyles. Easy to clean and maintain, Metropolitan keeps its fresh, stylish look while resisting the wear of daily life.

Trusted Performance

With a *Lifetime Residential* and *10-Year Commercial Warranty*, *IIC 70 sound rating*, and *FloorScore Certification*, Metropolitan delivers peace of mind, healthier living, and long-lasting beauty. Approved for radiant heat, it's a floor that performs as well as it looks.
