Martin & Co.
Floors For Life

Timeless Elegance, Everyday Living

Bring warmth, character, and durability into your space with Provincial Plank. This collection creates a spacious, seamless look that elevates any interior. The *painted bevel edges* and *TruWood Texture* give every plank the refined beauty of natural hardwood, without the upkeep.

Designed to Perform

Provincial Plank is designed to stand up to daily life with ease. The durable *20 mil wear layer* and *aluminum oxide finish* protect against scratches and wear, keeping your floors looking beautiful for years to come.

Easy and Reliable

Thanks to the *Unilin Angle* locking system, installation is straightforward and secure. Provincial Plank is also *radiant-heat approved*, making it as practical as it is stylish.

Lasting Confidence

Enjoy the beauty of your floors without worry. Provincial Plank comes with a *lifetime residential warranty*, *5-year commercial warranty*, and *FloorScore Certification*, so you can relax knowing your floors are protected, safe, and made to last.
